

Marketing for Composers

Marketing for Composers Agreement

I _____ accept the challenge of learning how to market my music and to market myself as a composer by committing to the following principles.

1. I agree to take full responsibility for myself and my actions, and accept the challenge of learning how to market my music and myself.
2. I agree to believe that anything is possible if I commit myself to working on my goals.
3. I agree to do the work because nothing will happen without taking action and implementing what I learn.
4. I understand that I will make mistakes and I will fail, but I will always learn from them and continue striving to reach my goals.
5. I will not quit when things get challenging. I realize that successful composers take action even when life gets hard.
6. I agree to commit at least 4 hours per week to complete this course and learn how to market my music and myself.
